SEWER AUTHORITY MID-COASTSIDE

M E M O R A N D U M

DATE: April 24, 1995

TO: BOARD BUDGET COMMITTEE
Sewer Authority Mid-Coastside

FROM: GARY R. VALLADAO
Manager

SUBJECT: NON-DOMESTIC WASTE SOURCE CONTROL PROGRAM
(NDWSCP) PERMIT FEE COLLECTION THROUGH THE TAX
ROLES
(File No. AM950409)

Last years Budget Committee requested that Staff work toward having NDWSCP Permit fees placed on the County property tax roles.

Authority staff has discussed this matter with County staff and Authority Legal Counsel Jim Copeland. Based on work done so far, the following is a recommended approach for getting NPDES Permit fees placed on the tax roles.

1. April 24, 1995. Obtain Budget Committee authorization to have Authority staff--and Legal Counsel meet with appropriate County representatives to determine the Authority Board action necessary to place Permit fees on the tax roles. There has been initial resistance from County staff regarding this matter, and it is hoped a meeting could resolve concerns expressed by County staff.
2. May 22, 1995. Place this item on the Authority Board meeting agenda. Depending on the Board action necessary to place the NDWSCP Permit fees on the tax roles, such action could either be taken at the May 24, 1995 meeting, or be scheduled to be taken at the June 26, 1995 meeting.
3. June 26, 1995. If necessary, take the above referenced action.

RECOMMENDATION

Staff recommends that the Board Budget Committee authorize staff to proceed with this matter as described above.
