**Subject / Title**

Review and Possibly Take Action on Future Recycled Water Committee Meetings

---

**Staff Recommendation:**

Review and Possibly Take Action on Future Recycled Water Committee Meetings

---

**Fiscal Impact:**

None.

---

**Discussion/Report:**

At the Board Meeting of September 28, 2009, the Board requested this item be agendaized for discussion. Board commented that the Recycled Water Committee and Board meeting presentations were identical making the Committee meeting sometimes unnecessary.
