Dear Mr. Balgobin,

I am writing on behalf of the Sewer Authority Mid-Coastside (SAM) Board of Directors to inform you of a recent change in management and therefore a subsequent change of the authorized representative for the State Water Resources Control Board (SWRCB) Water Recycling Facilities Planning Grant. John F. Foley III, the current authorized representative and previous SAM Manager left the sewer authority on May 3, 2010, to be recently replaced by the new Manager, Steve Leonard, after a period of interim management.

SAM has approved Steve Leonard as the new authorized representative for the Facilities Planning Grant and is seeking approval of this change from the SWRCB. Thank you for your time and consideration; please let me know if you need any further clarification.

Sincerely,

SEWER AUTHORITY MID-COASTSIDE

Steven Leonard
General Manager
